

The Casa Foundation
Established 2014
In honor of Casa Montessori's 40th Anniversary

The Casa Foundation has been established as a tax-exempt, non-profit fund that exists for charitable and educational purposes for Casa Montessori.

The purpose is to raise and administer funds for the benefit of the students of Casa Montessori. It can invest part of its income if desired. Its means of administering funds can be broad: It can award scholarships to qualified students, underwrite out-of-pocket school costs that parents usually have to fund (such as school trips or special materials for a class); it can cover the cost of teachers' continuing education; it can contribute to needed new equipment for the school. This foundation does not in any way replace the generous contributions of the Casa Parents Club, but will supply a means for alumni to also assist the school.

A board of Directors will administer this fund, appointed by the board of Directors of Casa Montessori.
